"Since I've been at the museum for the last 9 years, nothing has been as transformative to our operation than making the switch to CatalogIt."

Sara Wilson, Executive Director of St. Joseph Museums

@catalogit

The most powerful way to document, manage, and use your collections.

Digitize It.

Instantly capture your collections using your smartphone's camera or another device. Snap and upload photos to the app from any location, whether in the museum or on the go.

Document It.

Create detailed entries to document your items, including physical properties, records, images, and changes over time. Securely track and update entries in real time, from anywhere.

Use It.

Publish to the web, tell your story, and automate your processes. Use QR codes to engage visitors or take inventory of your collections. Make yourself more discoverable on the web.

Special Offers for AASLH Members:

- Get 20% off our API, including WordPress plug-ins and iframe integrations.
- Get 20% off any additional users over the already-included 8 users.
- Free migration from select legacy systems and 20% off standard migration fees for others. Already have data in a spreadsheet or other database? We're experts at migrating and can help you get up and running quickly.
